Ms. Omi Walden
Assistant Secretary
Conservation and Solar Applications
Department of Energy
Washington, D. C. 20585

Dear Ms. Walden:

Your letter of June 11, 1979 to the Director of Central Intelligence has been referred to me for response. We are in the process of finalizing our Annual Energy Management Report which will be forwarded to the Office of Federal Programs by the required date.

This report only includes figures on energy usage for resources which the Agency manages. After reviewing Form No. EIA-77, Preliminary Energy Audit Report, which we received with Mr. Jean J. Boulin's letter of May 24, 1979, we wrote the Department of Energy and suggested the form be sent to the General Services Administration (GSA) for compliance. As you know, the GSA manages energy resources utilized in the operation and maintenance of the buildings we occupy.

Please contact me if we can be of further assistance in this matter.

Sincerely,

/s/ James H. McDonald
